CASE NO. 7887

O R D E R

IT IS ORDERED That the William E. Simpson Construction Company s
shall file an original and twelve (12) copies of the following infor-
mation with the Commission by August 8, 1980:

a set of plans

articles of incorporation

valid third-party beneficiary agreement

preliminary approval issued by the Division of Water
Quality of the Kentucky Department for Natural Resources
and Environmental Protection approving the plans and
specifications of the proposed construction

detailed map of the sewage treatment facilities showing
location of plant, effluent discharge, collection mains,
manholes and utility service area

detailed estimated cost of construction which should
include all capitalized costs (construction, engineering,
legal, administrative, etc.)

the manner in detail in which it is proposed to finance
the new construction, specifically stating amount to
be invested, recouped through lot sales, or contribu-
tions (to be) received, etc.

estimated cost of operation after the proposed facilities
are completed.

estimate of the total number of customers to be served
by the proposed sewage treatment facilities, initially
and ultimately the class of customers served (i.e.,
residential, commercial, apartments, recreational, in-
stitutional, etc.) and the average monthly water consump-
tion for each class of customer

a full and complete explanation of corporate or business
relationships between the applicant parent or brother-
sister corporation, subsidiary(ies), a development
corporation(s), or any other party or business to afford
the commission a full and complete understanding of the
situation

Done at Frankfort, Kentucky, this 25th day of July, 1980.
